Executive Vice Chairman's Message

Adel K. Al-Dabal
Executive Vice Chairman

I would like to welcome
you all to the 33rd issue of our
Al-Osrah Magazine!

For all of us who have been monitoring the day-to-day operations of SGB Al-Dabal, we are all aware of how challenging but also fruitful the past years have been.

This year, we have been achieving so much by securing major projects and contracts with key market players, despite the fact that the competition in the industry is getting tougher every year. This won't happen if it's not because of the collective and dedicated efforts from our top management to field operatives.

I would like to express my sincere gratitude to each employee of SGB Al-Dabal for their outstanding work, as well as to our esteemed clients and suppliers for their usual and unwavering support.

Once again, Thank you so much to all of you. I am looking forward to more years of success and breakthroughs for all of us!

ADEL K. AL-DABAL

President

President's Message

President
Emad K. Al-Dabal

I would like to take this opportunity to congratulate each and every one of you on reaching our goals this year.

Without a doubt, it is an extremely difficult and demanding year for the company across all divisions. Numerous businesses in the industry have shown signs of struggle in order to remain in operation and carry out their obligations to their clients.

The management of SGB Al-Dabal firmly believes that our company's greatest asset is its workforce, specifically the people working in its service operations.

We always stand by our company's principle that our major priority will always be to deliver

excellent work without compromising the safety and wellbeing of our clients and workers.

In SGB Al-Dabal, we give high regard to our customers as our business partners, thus we go above and beyond to make sure they're happy and satisfied in each work that we deliver.

Finally, a word of gratitude to all of the employees, managers, and suppliers. We appreciate your daily dedication, enthusiasm, positive outlook, and outstanding work ethic that helps our company reach its fullest potential.

Vice President's

Vice President's Message

Vice President
Yousef K. Al-Dabal

As the year draws to a close, I would want to take this chance to express my gratitude to the upper management for their support during the entire year.

Moreover, I want to thank all of my colleagues who's making the company strive in a difficult yet incredibly successful year.

The upcoming years will undoubtedly be more challenging, but with everyone's steadfast support and hard effort, we can accomplish our goal even more by working harder and more closely than before.

To many more prosperous years ahead of us all!

Sharpening Time Management Skills

Effective time management is more than just meeting deadlines it's about working smarter, staying focused, and making space for what truly matters. These core skills can help employees boost productivity, reduce stress, and stay in control of their day.

KEY TIME MANAGEMENT HABITS INCLUDE:

Organization

Keep your day structured with tools like calendars, task lists, or simple routines. The more organized you are, the clearer your priorities become.

Prioritization

Focus first on what's urgent or high-impact. Not everything needs to be done at once smart prioritization helps you work efficiently.

Goal setting

Define clear short- and long-term goals. When you know what you're aiming for, it's easier to stay motivated and manage your time around it.

Communication

Be clear about your availability, deadlines, and expectations. Good communication reduces delays and misalignment.

Reda F. Ali
Administration
Manager

Planning

Block time for key tasks, plan meetings wisely, and always allow room for unexpected items. A well-planned schedule keeps things on track.

Delegation

Share responsibilities when appropriate. Delegating isn't just about offloading it allows teams to work more effectively together.

Managing Stress

Even with strong time skills, pressure can build up. Incorporate short breaks and reward small wins to stay balanced and focused.

Final thought:

Building these habits takes intention, but the payoff is big better results, less stress, and more control over your workday.

Head Office Highlight

Business Development

As our journey of excellence continues, the Business Development sector is witnessing steady growth across all areas, reflecting positively on both our performance and ongoing projects.

One of the key indicators of this progress has been the increase in our workforce, which has now reached about 1,700 employees. Alongside this growth, we are proud of the continued rise in the Saudization within the company, demonstrating our strong commitment to national talent development and empowerment.

We are also proud of our consistent excellence in the IKTVA program, reinforcing our strong role in local content development. In addition, this year we were honored by SABIC for our contributions to local content, a recognition that reflects the dedication and impact of our entire team.

On the operations and projects side, we are happy to report significant milestones:

- **Twin Towers Project:** Completion of the structural works, marking a major step forward in this landmark development.

Khalid A. Al-Dabal
Business Development
Manager

- **School Project:** Structural works are now complete, bringing this important educational facility closer to reality.
- **ARD Residence :** Designs have been fully finalized, and we are now in the pricing stage as we prepare to move ahead.
- **SGB Al-Dabal Factory Expansion:** Work is underway to expand our factory, enabling us to increase capacity and strengthen our ability to meet growing demand.

All of These achievements would not have been possible without the dedication, collaboration, and commitment of our entire team. With clear vision and strong determination, we look forward to even greater successes in the years ahead.

Why Transitioning to Full IFRS Matters

Moving from SME IFRS to full IFRS (International Financial Reporting Standards) is more than a compliance step it's a strategic decision that supports transparency, trust, and long-term growth. Here's why it matters:

Key benefits of full IFRS adoption:

Global Alignment: Full IFRS enhances comparability with international companies, making financial reports easier to understand for global stakeholders.

Stronger Credibility: Using widely recognized standards increases confidence among investors, lenders, and business partners.

Easier Access to Capital: Companies reporting under full IFRS are often better positioned to attract funding in global capital markets.

Munther S. Salameh
Finance Manager

Improved Transparency: Full IFRS encourages more detailed financial reporting, helping stakeholders make clearer, data-driven decisions.

Support for Growth Plans: Full IFRS lays the foundation for international expansion and potential public listings by aligning with global best practices.

Final thought:

Transitioning to full IFRS isn't just about following rules it's about building a stronger financial foundation for the future.

Head Office Highlight

Procurement Department

Smart Sourcing & Strategic Partnerships

Procurement is more than purchasing it's about driving value, optimizing costs, and building strong supplier relationships that support the company's long-term goals.

This Year's Key Procurement Highlights:

- **Value-Driven Sourcing:** We focused on smart sourcing, leveraging market insights and supplier partnerships to secure quality materials while ensuring compliance and cost efficiency.

- **Automation & Efficiency:** We introduced new technologies to automate routine tasks, reducing errors and improving efficiency.
- **Stronger Supplier Relationships:** Through closer collaboration with key vendors, we've strengthened reliability and ensured consistency in service and delivery.

We're grateful for the support of all departments as we continue to evolve procurement into a function that directly contributes to the company's success.

Saudi ARAMCO & SABIC Visit 2022 – 2023

Saudi Aramco and SABIC have set up a joint team to evaluate the possibility of manufacturing plastic scaffolding boards in the Kingdom. Under the leadership of Dr. Youssef A. Fakhreddine from Saudi Aramco Technology, Strategy & Planning Division, who along with his colleagues have over the past year attended meetings with SGB Dabal's Mr. Emad K. Al-Dabal (President) and Mr. Andy Morrison (General Manager Contracts) for technical and practical advice in organizing trials of the new plastic boards.

The committee have reviewed board dimensions, weight, longevity, grip, tread, manufacturing process and also planned offshore and onshore trials on actual scaffolds in different scaffolding scenarios to assess the suitability and weathering aspects of the plastic boards.

This is in the early stages of development and Dr. Youssef commented: "We really appreciate the assistance both, technical and practical, that Mr. Emad and Mr. Andy have given the Committee and we look forward to progressing this new and innovative board."

Mr. Emad K. Al-Dabal emphasized: "SGB Dabal are always ready and available to work in collaboration with our strategic partners in advancing any aspect of the scaffolding industry and especially when it has the potential to be manufactured using existing plastic in the Kingdom, which is the main objective of IKTVA and Local Content."

Aramco/Sabic Meeting at Jubail Office

In partnership with Aramco and SABIC, SGB Al-Dabal is advancing discussions on a two-year Plastic Board program in the Kingdom. The initiative is designed to enhance local content, safety, and efficiency in scaffolding, while supporting national development.

The meeting was attended by Mr. Emad K. Al-Dabal, President of SGB Al-Dabal, Andy Morrison, General Manager, Contracts, and members of the Aramco team, where constructive discussions took place on strengthening collaboration and accelerating the program's rollout.

including Mr. Nabil Al-Jama, Executive Vice President of Human Resources at Saudi Aramco. His visit underscored the importance of industry collaboration and highlighted the growing role SGB AI-Dabal plays in building a reliable, local supply chain.

This recognition marks a meaningful step in our IKTVA journey, and we remain committed to deepening our impact in alignment with Vision 2030.

Cybersecurity at SGB AI-Dabal

Cybersecurity is one of the most important pillars in today's digital world. With the rapid growth of technology and the increased use of digital systems in all sectors, the risks of cyber threats and attacks have also grown. For our business, cybersecurity is especially important to protect sensitive information, ensure smooth operations, and maintain the trust of our clients and partners. This makes protecting data and systems a necessity, not a choice.

The main goal of cybersecurity is to keep information safe by ensuring its confidentiality, integrity, and availability. This is done through policies, procedures, and technologies that prevent breaches, fight

cyberattacks, and reduce risks. Another key part of cybersecurity is awareness, as people are often the first line of defence. Training employees to recognize fraud and social engineering plays a vital role in protection.

To support this, SGB Dabal Co. holds regular training workshops through its IT team for all employees. These sessions help raise awareness, promote a strong cybersecurity culture, and keep information and business operations safe. As reliance on digital services such as online banking, e-commerce, and smart systems increases, strong cybersecurity strategies are essential to protect operations and maintain the reputation of organizations.

SABIC 2024

In 2024 SGB Al-Dabal Co. Ltd. has been officially recognized by SABIC for our great contribution and excellent effort in local content performance during 2024.

This recognition highlights SGB Al-Dabal's ability to consistently meet and exceed SABIC's demanding standards. By providing tailored scaffolding solutions for Turnarounds, shutdowns, and maintenance, SGB Al-Dabal has proven itself as a trusted partner in the execution of critical projects across SABIC's expansive operations.

2024 began with a packed schedule of turnarounds at various SABIC facilities. During the first quarter of the year (January to March), we successfully completed the IBN ZAHR MTBE I and UTILITY I turnarounds.

In the same period, we also completed a significant turnaround at the AR RAZI PLANT 5, which further highlighted our capacity to manage multiple, complex turnarounds simultaneously.

As the year progressed, our team continued to deliver excellence. In October and November, we completed the IBN ZAHR MTBE II turnaround, a critical maintenance project. In addition to this, we also successfully executed the PP01- turnaround at IBN ZAHR in November.

New Contracts

We have been successfully awarded an extension of Advanced Petrochemical Company maintenance contract, which now includes their new facilities Advanced Polyolefins Company (APoC) for a term of 3 years. In addition to this, we were also awarded a maintenance contract with Tasnee in both Jubail and Yanbu which is a new business partner.

In line with Saudi Vision 2030, SGB Al-Dabal is committed to promoting the highest standards of health, safety, and environmental responsibility across all operations. We align our practices with Saudi regulations and international best practices to protect our workforce and support the Kingdom's strategic ambitions.

Key Safety Priorities

- Compliance with legal standards and enterprise-wide safety frameworks
- Proactive hazard identification and risk control
- Employee involvement and ongoing safety awareness
- Continuous improvement through audits and training

Promoting a positive safety culture aligned with Vision 2030 objectives of sustainability and human capital development

2024 Safety Highlights

- Achieved over 4.5 million safe man-hours without lost-time injuries

- Onboarded new safety officers with updated training aligned with national standards
- Conducted proactive on-site inspections and risk assessments
- Launched awareness campaigns on ladder safety, PPE, working at heights, and related topics
- Delivered hard hat awareness programs with simplified educational videos

Quality & Business Ethics

SGB Al-Dabal maintains full commitment to quality and business ethics, supporting the Vision 2030 principles of excellence and integrity. We uphold ISO 9001:2015 certification standards and continuously train employees to act responsibly and ethically in all circumstances. Our business ethics program reinforces a culture of integrity, trust, and accountability.

Safety is a small investment for a huge return.

Cost Reduction Committee Meeting

The Cost Reduction Committee, led by Mr. Khalid A. Al-Dabal, Business Development Manager, convened to reinforce cost efficiency and operational excellence. The discussions, held in alignment with SGB DABAL's strategic

Objectives, focused on reviewing processes, advancing value engineering initiatives, and enhancing cross departmental collaboration to secure the company's long term growth and sustainability.

Twin Tower Project

The Twin Tower Project is one of our flagship developments, consisting of two modern high-rise buildings with three basement levels, a retail ground floor, and 12 upper floors. The total built-up area spans approximately 205,000 sq ft, offering a mix of residential and commercial units designed for comfort, functionality, and urban appeal.

Construction began in October 2021 and has since

progressed steadily. Structural work is nearly complete, and interior finishing has commenced. The project has been managed by a dedicated team of engineers, architects, and project leads, ensuring high standards at every phase.

The Twin Tower Project reflects our ongoing commitment to quality construction, urban development, and long-term value creation for tenants.

New Projects

Al-Dabal New School

The Al-Dabal New School project, located in Al-Olayah, Khobar, is taking shape on a site of nearly 3,000 sqm. Designed to provide a modern, purpose-built learning environment, the school will feature a basement level for services and parking, a ground floor for administration and kindergarten classrooms, and first and second floors dedicated to elementary school classrooms.

Groundwork began in October 2024, with the skeleton structure scheduled for completion by July 2025. Once complete, the Al-Dabal New School will stand as a cornerstone for advancing education and contributing to community development.

New Family Members Joined the Company

We are proud to welcome several new family members who have officially joined the SGB Al-Dabal team. Their involvement marks a new chapter in the company's continued growth and succession journey. Each individual brings fresh energy and diverse strengths to the business, contributing across various departments and supporting our long-term goals. Their addition reflects our shared commitment to building a sustainable, family-driven enterprise.

This step also reinforces our belief in structured family involvement, where legacy, values, and governance come together to shape the future of the company. We look forward to seeing their contributions help guide SGB Al-Dabal into its next generation with unity, vision, and continuity at the core.

ERTIQA - (SGB Al-Dabal Partners with Ertiqa for E-Waste Recycling)

As part of our ongoing commitment to sustainability and social responsibility, SGB Al-Dabal has partnered once again with Ertiqa Charitable Association to donate used electronics for safe rehabilitation and reuse.

This initiative involves handing over outdated or damaged devices such as computers, printers, and scanners to Ertiqa, where they are professionally serviced or recycled for use in educational and nonprofit sectors.

By donating through Ertiqa, we ensure that electronic waste is managed responsibly, reducing environmental risks and avoiding improper disposal of potentially hazardous materials.

The program supports both environmental protection and community development, aligning with national goals for responsible corporate citizenship.

AI-Dabba Biking Team

Celebrating Al-Ittihad's Triumph: 59 km Ride by Al-Dabal Biking Team

On the occasion of Al-Ittihad's victory in both the League and the Cup, the Al-Dabal Biking Team successfully completed a ride of over 59 km alongside team members in celebration of this achievement.

We extend our heartfelt congratulations to Al-Ittihad on their championship triumph, and also congratulate the Al-Dabal Biking Team on the completion of their ride. We further wish Mr. Emad K. Al-Dabal a full and speedy recovery.

In Unity and Pride: 95 km Ride for the Nation

On September 23, in celebration of Saudi Arabia's 95th National Day, the Al-Dabal Biking Team proudly completed a symbolic 95 km ride. This remarkable effort not only honored the Nation's milestone but also celebrated the successful completion of the team's journey, reflecting their spirit of determination and unity.

A day to celebrate the Kingdom's rich heritage, cultural pride, and remarkable journey toward progress and innovation.

بسم الله الرحمن الرحيم

الحمد لله رب العالمين الذي جعلنا من حملة لواء العلم والصلاة والسلام على المبعوث رحمة للعالمين نبينا محمد وعلى آله وصحبه والتابعين ومن تبعهم بإحسان إلى يوم الدين

السلام عليكم ورحمة الله وبركاته
يسرني اليوم أن نلتقي في ختام العام الدراسي لأطفالنا الأعزاء في روضة وحضانة الدبل، وحفل تخرج دفعة ٢٠٢٢، وأرحب بكن في روضتنا الحبيبة.

ولا شك أن جمال اللقاء يزداد بهجة بفضل الجهد والعطاء والتعاون الذي بذله الجميع كأسرة واحدة، معلمات وإداريات ومشرفات ومنسوبات، لتتوج ثمرة أطفالنا الأعزاء وحضورنا الكريم، فأهلاً وسهلاً بكن يا كل أم وضيعة ومنسوبة... وبعد.

يظل الطفل محور حياتنا جميعاً، فهو مصدر الحب والاهتمام والرعاية، وهو مرتبط بالتعليم. ابتسامته ضياء وفرحته وفاؤه وخطواته رمزاً لنا جميعاً رسم الأمل ونبض المستقبل. ومن هنا حرصنا في روضة وحضانة سوسن خالد الدبل غالاك ومرتين وولاء أمور أن نرعى هذا الصرح وفق مبادئ التربية والتعليم، مراعيين خصائص الطفولة شعارنا (ألعب وأتعلم وأستمتع) بعيداً عن التلقين واستغلال حاجات الطفل ورغباته، مع الأخذ بعين الاعتبار متغيرات العصر وتحولاته دون المساس بالثوابت مستعينين بالله أولاً، ثم بالمشاركة المجتمعية نسير بخطى ثابتة ورؤية ورسالة واضحة ثبتت أقدامنا من خلال استماتتنا تجارب تربية متميزة ومثيرة وذات خبرة في مجال الطفولة.

أكرر الترحيب والشكر، حفظكم الله.

والسلام عليكم ورحمة الله وبركاته.

Al-Falah Muslim School, Zanzibar

The Khaled Descendants Charity continues to support underprivileged families through monthly food basket distributions, especially during Ramadan. Their initiatives have also extended abroad, including school renovations

and home improvements in Zanzibar and Egypt. Driven by a strong sense of family unity, these projects go beyond giving fostering shared experiences across generations and leaving a lasting social impact.

Khalid Al-Dabal's Grandchildren

Khalid Al-Dabal's grandchildren have been actively involved in a variety of charitable initiatives across different areas.

These efforts bring together both the younger and older grandchildren, working side by side on diverse activities that reflect their shared commitment to giving back to the community.
